✓ CE?

„Cărticică pentru copii – Animale sălbatice” prezintă ilustrațiile și denumirile a 18 animale sălbatice în limbile română, maghiară, rromani, slovacă, engleză și germană.

✓ ÎN CE CONTEXT?

Resursele educaționale deschise din colecția „Rromani didaktika” au fost elaborate, inițial, în variantă bilingvă (RROMANI – ROMÂNĂ), după care au fost extinse către toate cele patru minorități naționale din județul Bihor care au învățământ în limba maternă: maghiară, slovacă, germană și rromani.

✓ CARE ESTE SCOPUL?

Prin abordarea multilingvă, în șase limbi, aceste resurse educaționale contribuie la educarea limbajului și la dezvoltarea unor competențe de comunicare orală în limbile română, maghiară, rromani, slovacă, engleză și germană.

✓ CUI SE ADRESEAZĂ?

- antepreșcolarilor, preșcolarilor și școlarilor mici
- tuturor educatoarelor și învățătorilor
- profesorilor care predau una dintre cele șase limbi
- tuturor părinților pentru dezvoltarea personală a propriilor copii
- celor care sunt interesați de învățarea uneia dintre cele șase limbi

✓ ALTERNATIVE DIDACTICE

Lucrările realizate în cadrul colecției „Rromani didaktika” pot fi utilizate și sub formă de planșe didactice pentru pavoazarea sălilor de clasă și a spațiilor școlare.

✓ UNDE POATE FI ACCESAT?

Până la identificarea unor surse de finanțare pentru tipărirea acestor materiale educaționale, ele pot fi accesate, în format PDF, pe platforma edubh.ro, la subdomeniul resurse educaționale (RED), în pagina dedicată limbii rromani.
