- ✓Elaborate, inițial, în variantă bilingvă (RROMANI - ROMÂNĂ), resursele educaționale deschise din colecția „Rromani didaktika” au fost extinse către toate cele patru minorități naționale din județul Bihor care au învățământ în limba maternă: maghiară, slovacă, germană și rromani.
- ✓„Cărticică pentru copii – fructe” a fost avizată în data de 13 ianuarie 2023, în Consiliul Consultativ al disciplinei Limba rromani maternă, de la nivelul Inspectoratului Școlar Județean Bihor.
- ✓Conținutul materialului propus se adresează antreprenșcolarilor, preșcolarilor și școlărilor mici. Prin abordarea multilingvă, în șase limbi, această resursă educațională contribuie la educarea limbajului și la dezvoltarea capacității de comunicare orală în limbile română, maghiară, rromani, slovacă, engleză și germană.
- ✓„Cărticică pentru copii – fructe” reprezintă un suport educațional pentru educatorii și învățătorii de la clasele cu predare în limbile materne enumerate mai sus, sau pentru profesorii care predau aceste limbi, fie ca limbă maternă, fie ca limbă modernă.
- ✓Prezenta resursă poate fi utilizată și sub formă de planșe didactice pentru pavoizarea sălilor de clasă și a spațiilor școlare.
- ✓Până la identificarea unor surse de finanțare pentru tipărirea acestor resurse, ele pot fi accesate, în format PDF, pe platforma edubh.ro, la subdomeniul resurse educaționale (RED), în pagina dedicată limbii rromani.
